

MAKING CHANGE HAPPEN

NEED TO UNDERSTAND THE POWER OF WORKPLACE LANGUAGE?

TRY THE IMPACT OF LANGUAGE DAY

These workshops allow senior manager, leaders & team members to understand further the ground-breaking power of language.

How it works

- This workshop enables teams and individuals to appreciate the power language, both positive and negative, has on the workplace (or on our professional and personal lives).
- Exploring the impact language has on mindset, productivity and happiness, these highly-interactive workshops will provide insight and learning positively impacting individuals and teams alike.

What do delegates leave with?

- An understanding of how subtle changes in language can improve and develop your quality of life; productivity and team dynamics.
- Powerful working examples to put into place immediately.
- Insight into your own language patterns and the impact of these on you and the wider world.

Led by...

Nicola Pitt

Executive Coach, Master NLP Practitioner & Clinical Hypnotherapist

Nicola specialises in team dynamics, mental health & the power of language in the workplace. A physiotherapist by background, working with mental health and torture victims, Nicola brings her clinical expertise alongside her work as an NLP Master Practitioner and Clinical Hypnotherapist to enable managers and leaders to reach their potential.

HALF OR FULL DAY

UP TO 30 PEOPLE

OFF-SITE LOCATION

Thank you Nicola for your knowledge, insight, and expertise. As a senior leader this was invaluable time and reflection which Nicola delivered with compassion and skill.

Aimee Robson, National Head of Personalised Care, NHS England
